

## **Musical Mutants play Trovesi**

### **The Musical Mutants are:**

Boris Savoldelli: voice and electronics  
Stefano Zeni: Violin and Electronics  
Marco Remondini: Cello and Electronics

### **Gianluigi Trovesi: clarinet and sax**

Gianluigi Trovesi says: “A concert entranced with poetry, creamy Dionysian folly in the hands of three wonderful mutants” ...

...And if, one of European Jazz top personality and Icon of the last fifty years, Gianluigi Trovesi said that then it must be true...

...It is certainly an unusual and original project, where listeners are captured in a true musical vortex...

...The most classical of instruments: violin, cello, clarinet, and voice transform and mutate each other in a musical jubilation of references....

...A new and original sonic universe that can only excite music aficionados of all ages...

...A truly original concert... a new and unique musical experience
